## BLESSING OF THE FLEET

**FINAL NOTICE:** Please remove all trailers immediately. We do not have any contracts to store trailers. We are not responsible for any trailers left on the property. We have reached out to those we could identify, but many of the trailers are without tags/identification.

Trailers remaining after April 15, 2017, will be turned over for foreclosure proceedings.

MMYC was happy to help sponsor and participate in the Blessing of the Fleet 2017. Over 120 boats participated in this year's Blessing but only one participated stern first! Now you can be rest assured your favorite marina has been fully blessed - forward and backward!

## *Employee Spotlight....meet Dave McCue!*

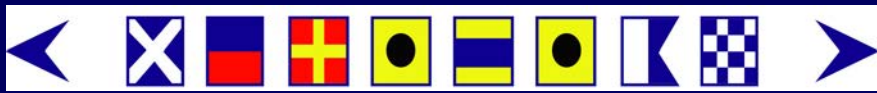

Dave McCue has been a part of the Meridian Marina family for four years. Dave is one of our key members who is on hand to carefully put your boat in the water, back out, cleaned, and tucked safely into our 62,000 sq. foot storage facility operating one of our two, 20-ton forklifts.

You will never hear "it's not my job" from Dave because on any given day you will find Dave on his fork truck, or standing by or with a hearty handshake and friendly smile with his team to get you and your family out for a fun day on the water! Dave and his crew are always at the ready to lend a helping hand with ice, docking, hauling cargo, or you name it! On the weekends you may find his son Jonathan working hard by his dad's side.

Dave is the proud father of four wonderful children and his beautiful gal Erica has one more little McCue on the way that will arrive in May! Congratulations Dave & Erica!
